

A RISING SUN

on the **Horizon of Healthcare**

KRYPTOMED
FORMULATIONS PVT. LTD.
An ISO 9001: 2015 Certified Company

ABOUT US

Kryptomed Formulations Pvt. Ltd. is a fast growing Indian Pharmaceutical Company with focus on Pharma PCD / Franchise business. We are engaged in getting high quality pharmaceutical products manufactured from the best-in-industry manufacturers. We own state-of-the-art infrastructure for storage and distribution of goods.

We have lots of competitive advantages compared to other pharma PCD / Franchise companies in terms of offering better rates, trade mark registered products, multi-national level marketing support, international standard matching quality products, complete PMT support, training & development programs.

Our team is highly trained and experienced with expertise in handling the products through its entire journey from lab to the bed side of the patients. We have a portfolio of differentiated products across wide therapeutic categories such as Anti-inflammatory, Analgesics, Anti-biotics, Gastrointestinal products, Gynecological products, Injectables, Anti-allergics etc.

KRYPTOMED

FORMULATIONS PVT. LTD.

An ISO 9001: 2015 Certified Company

MISSION

Our mission is to be a trusted partner of the healthcare professionals in order to support their efforts in treating patients by making available the best, innovative, high quality & affordable medicines.

VISION

Our vision is to build a global company that provides extraordinary solutions to make the world healthier.

VALUES

We take pride in our ethical working, supportive culture & honesty. We have the courage to do the right things and ability to do the things right. We are inclusive, share our vision & embrace good ideas from all stake holders. We create opportunities, nurture relationships, support the talent to achieve shared objectives together. We anticipate needs, honor our commitments, deliver more than expected and do it cheerfully.
